fruitcake

at the holiday the nutty cake arrives full of plastic looking cherries. who pinched this loaf of dough and shaped it into a roll, oven at 350? Glazed. eyes brimming with salty tears from the heat. Advent. 28 days of preamble leading to brightly colored packages filled with dusty junk no one wants. "throw it in a heap with the other junk."

Mary speaks yet no one listens. It's like a void yelling into a tunnel.

"how many times"

oh well

Rumor has it cakes from Corsicana are full of rat turds anyway

hey enjoy 1985's best holiday gift and get back to me real soon.

Bobby wore bell bottoms with confidence. And fastened them with a shiny new buckle that had been in the Walker family for decades.

Tall leather cowboy boots, he was tall but unassuming
