

loving Jesus

loving Jesus is like
rolled down windows
while the melodies roll low
the sun sinking slow
and the warmth of the sunset
leading the flow

loving Jesus is like
an adventure down a back road
dirt trail, off trail
bushwhacking
pioneer, trailblazing
don't know where I'm going
but I'll go anywhere with you
kind of love

loving Jesus is like
fireworks on the fourth of July
bombs bursting in mid-air
shining light in the darkness

no matter the cost
i don't care
as long as i'm with you

loving Jesus is like
a roller coaster ride
i'm up and down
and upside down

it's a stomach in the throat
kind of love
hold on tight and don't let go
kind of love

that starts out fast
and moves real slow
and changes up

when you start to think
you know where to go

always on your toes
pursuing the mystery

always reaching higher
for the heavenly

always hungry
always full
no matter how thirsty
always room for more

loving Jesus
is like a heart
set free
