The color of the life

Hi I am the life,
today I have remembered that you live,
I am here to make you laugh,
to make you cry,
to make you remember that the life is the only thing that you have,
you write, you sing, you dance,
until I lead you and I remember you,
to make you live,
to make you love the color of the things that you like,
the color of the love,
the color of the freedom,
I will be with you to give you,
the color of the life.
