diamond milk  
reflecting moon  
drown me  
baby blue  
sweet sweet  
silky truth  
milk white black white, right?  
left, I left  
write, I write  
diamond red diamond blue  
diamond dead diamond true  
dying lume  
circling me  
1

*gone mad in diamond.milk*

and 1  
me and me,  
is 2  
he's off  
talkin bout talking about  
walking about  
a bout  
he's out  
and 1 and 2 is me  
and 3  
the magic number  
and 2 and 2  
is 4  
"oh fuck  
"oh fuck oh fuck oh fuckcufuck oh fuck"  
and 2, me and you,  
and 3, you and me and all  
is 5  
or more than the other  
even over odd  
over being odd  
and 3, you and me and all,  
and 3, you and me and all,  
is 6  
battling having 6  
standing tall the power of sex  
violent money  
stumblin round  
and down  
and up one more  
digging up from the floor  
the number three and the number 4  
1 and 2 and 22 me and you  
is 7  
car rides  
red lights  
continuing up past heaven  
in the past for heaven's sake  
asleep awake on the same continuous line  
circles in the air (8)  
smoke again  
it's too late  
another round (ate)  
"you can't skate around your problems"

another round  
blistered thumb  
he's so dumb  
burning with the sun  
"disappointing son"  
"no pointing"  
no point  
even and even  
bleeding and bleeding  
and fighting one more  
5 and 4  
pearls before swine  
is 9  
but still not fine  
continuous line  
am I a hero  
a one  
or a zero
