TRUE LOVE

When I see you, my heart stops,
When I feel you, my stomach drops,
My heartbeat jumps, skips, and hops.

My soulmate, My partner in crime,
Each moment with you, I'm lost in time,
Forever and always mine,
This love has me blind.

Delusional, dazed, and confused,
With nothing left to lose,
My senses have gone weak,
Your love has me intoxicated,!

Forever in my heart,
We meet again and again,
Our love is strong and feels, Oh, So right!

My heart longs for your touch,
The kiss of your lips,
The warmth of your finger tips,
The sound of your laughter,
Yes, It is you my dear.

Listen up, Loud and clear,
Heartfelt feelings of true love,
The kinda love that is Godsent from above,
True love that never dies, Pure freedom!
One look into your eyes, Glimmer of hope,
A love free of lies, fears and goodbyes.

Yes it is you, My love,

Connected to the medicine of the dove,
This is what it feels like to find true love!
