

Just Because...

Just because I'm a guy  
Doesn't mean I don't have feelings  
Doesn't mean I don't care about your feelings; and  
Doesn't mean I can't love

Just because I'm young  
Doesn't mean I'm dumb  
Doesn't mean I have no heart  
Doesn't mean I can't learn to love you

Just because I'm not the coolest kid in school  
Doesn't mean we can't hang out  
Doesn't mean we can't talk on the phone  
Doesn't mean we can't start a relationship

Just because I'm different  
Doesn't mean you have to treat me differently
