

# Delicate Hearts

Have you ever met someone and just knew  
He's the one for you?

No questions asked.  
No past revealed.

No plans to be made.  
Precious moments are sealed.

Wounds are healed by his touch.  
But it will never be...

Hearts only break so much.

# Break the Strings

We are exactly where we ought to be  
Is hard to hear, accept, and really see.

Puppets on a string

Led around this ring

Is comfortable for most but not me.
