

“Mozelle”

I stand in judgment before Him,
My soul tarnished and unwell.
Your love is within my grasp,
And these demons I seek to quell.

My thoughts ablaze with passion,
In purgatory I breathe and dwell.
One choice to set me free,
Or remain within this cell.

I turn my back to Him
And unto you I yell,
“If loving you is sin,
I shall pray for eternity in Hell.”

Bewildered, the heavens roared,
And defeated, Lucifer fell.
I may never find my way to Heaven,
But only time will tell.

I deceived the Devil, you see,
He wagered a lustful farewell.
Sacrifice he can't exploit,
For there is no love in Hell.

I vow to you this solemn pledge,
No one can refute or dispel.
Nothing shall stand between us,
Not now, nor ever, Mozelle.
