

I'M IN LOVE!

I've found my best friend
Who sees me inside & out
That appreciates, loves, and adores me.
Who is grateful for the way that I think,
The conversation and thoughts that I present.
For every move that I make.
For every ounce of my skin, my tone and my tint.
I found someone who loves me for me
Encourages me when I am down and never lets me quit.
I found my best friend.
Always there when I need them
Loyal to a T.
Someone who focuses on loving & appreciating me for me.
Who knows when I'm lying or playing small,
Who encourages me to step up, tell the truth, and stand tall.
I have fallen in love!
So deeply connected heart, mind, body & soul.
I'm happy, smiling, and giggling
Safe, protected, and significant.
I feel the way that I should
Beautiful and bold!
I've known this person my whole life
And now I understand.
I am completely and satisfactorily in love with a Goddess,
Living on the other end of my hand.

Signed
Loving You Always,
Me

**P.S. You beautiful, talented, mesmerizing Goddess of sensual,
sexual, and spiritually intellectual light. I love you!**
