LOST WITHOUT YOU

I am sitting here...

For it is killing me

I am so confused...

I am Lost without you

I do not have you...

Telling me what to do

I am sitting here...

Not knowing what to do

You were my strength...

My hero and my guide

So I sit here...

Knowing your really gone

I am so heartbroken...

Now I am so confused

I sit here alone...

My daddy's now gone.

What will I ever do...?

I am so lost without you.

Forever I am...

My daddy's little girl

WAITING IN THE DARK

I sit here upon my porch...

Waiting in the dark

I sit here patiently...

Waiting for my stars

I will sit and shiver in the cold...

No matter how long it takes.

I am waiting here desperately...

For my very own nightly star

I sit and cry upon my porch...

Waiting for my star

Then I hear the chimes ringing...

From my very neighbors yard

I look back up into the sky...

For there's my shining star

I wish I may, I wish I might...

To have this wish tonight

May my dad be with me...?

To take away all my pain

Including my heavy heart...

IN THE EYE OF THE STORM

In the eye of the storm

I sit here waiting patiently

Adversity strikes

With so much turmoil

I sit here patiently

Listening to the whispers of the wind

In hopes to find

Some peace of mind

Searching desperately

For my faith to be renewed

Hoping for such miracles

In this crazy world of ours

Destruction and hatred

Fills all of our lands

What are we to do?

What am I to do?

In this crazy world of ours,

I sit here waiting patiently.

In hopes to find,

The miracle of my faith...

LISTEN

I sit here within my garden

Waiting patiently ...

For my fairies to appear

I close my eyes and listen

For my fairies are now here

I hear their flutter

From their very little wings

Listen...

I hear them call my very name

Now I know that they are here

Listen ...

Do you hear them call your name?
