

Loading my
mind....Loading my
inner thoughts with so
much
ammunition...practicing
and perfecting my
words...to ignite your
deepest inner
visions....giving you
feelings you thought
you never have....Giving
you visions of Golden
Wheat Fields Flowing in
the winds like the many
blue green oceans I
see...Sprinkling with
Colors from the rays
above...Giving you
those Eye Candies...that
are so...so

sweet...Giving you
visions of those
awesome
treats...Rainbow Skittles
for your eyes to
feast...Showing you
different hues to
see...From many angles
I see...Sprinkling
Kaleidoscopes from me
to you...You to
Me....Sharing Many
Pieces of What Eye
See....
