

In/certainties

In between

The rains started  
and  
the rains stopped.  
I got caught in the  
middle.

### Certainties

I was sure.

She was sure.

At least one of us  
had to be wrong.

Or ... (could it be) ...

we weren't talking  
about the same  
thing?

## In/certainties

Walking into my shadow on a rainy day

I thought it amazing and beautiful,  
my umbrella and me walking  
down

In/certainties

Left in a state of confusion

What does what  
you said  
have to do with  
what I said?
