

There's someone behind me.

*There's no one behind you.*

Why is there someone behind me?

*Why would there be someone behind you?*

I don't know.

*Of course you don't know.*

What's going on?

*Wouldn't you like to know?*

Where am I?

*You already know that.*

Why is it so dark?

*Why are you asking so many questions?*

I don't know.

*You don't know anything.*

That's not true.

*You don't know what you're doing or where you are.*

I'm scared.

*Scared of what?*

Scared of this thing.

*What thing?*

This looming presence behind me.

*There's nothing to be scared of.*

There's someone behind me.

*No there isn't.*

I know I'm not alone here.

*It's just us here, there's no one else.*

There's something behind me.

*There's someone behind you.*
