

## Be Nice

Nice guys will inevitably try too hard to see the salt in the water.

People will find loopholes in their zippers so they can do as they please.

Entire civilizations were born of freedom and pain.

Elevators go both ways so everybody gets what they want.

Nice times are had by all when balloons float into the room unexpectedly.

Beat a snake and he'll bite.

Whining will get you nowhere but winning will get you into bed.

Young people like it when they can fly their jeans over the sun.

Nice guys will have more snakes in their garden than anyone.

Sex is fantastic when the zipper screams open sesame.

Yank on a chain and see the fun fall from the sky.

You always see the other side of freedom through a fence surrounding your baseball.

Hiccups are as hard to spell as they are to have.

Nice people like to laugh.
