

Reborn

The
Halloween memory
is a
sweet explosion

Reborn
under a
disco ball

shadows
smoke
snow

Hell hath
no fury
like a
woman torn

Things forgotten
remembered
in a
rush

Naked Nursery Rhyme

Peter Peter
fire eater
had
a wife
&
wouldn't
keep her.
He kissed
that girl
&
made her
cry.

His tongue
could burn
O
when would
she
learn to try
not to
play
with
fire?

Humming

Dinner
& a
show

you eating
you seeing
you humming
your lust
fast & fleeting

Letting you
come in
while
the boys
go out

ancient static

can't stop
the
signal

forgotten radios
with
ancient static

memories
in
haiku
(ancient static)

stanzas
of
sad
(ancient static)

my
secret frequency
remembers you
unwillingly
unflinchingly

unending
resolve bending
request pending

Light

I want
disco ball light

abduction

I want
the muse
to
invite me
ignite me
excite me
delight me
hold me
tightly

Feeling
moldy & cursed
wishing time
could be
reversed
to the
oasis
