

You Wouldn't Call It Pride

You couldn't call it pride  
if you survived a beating  
your body left bleeding  
your limbs stiff, unfeeling

You wouldn't call it pride  
if you went through life bluffing  
trying to make something  
when all you'll ever have is nothing

You wouldn't call it pride  
if you knew what it was like  
to dedicate your life  
to never winning the fight

You wouldn't call it pride  
so why should I?
