

Love and Rain

- Saravana chandran

**It was a rainy season
Not only weather; also
My heart in between!
Out of believe may give;
But wonderful success
Yeah, oh! my love!
Something different
Something special
Something hardness
Something out of feel
Yeah, oh! My love!
An umbrella with out
Enough her closed hands;
Both are enjoyed rainy
Lock heart in moment
Yeah, this's my love!!!**

Can u talk to me?

No way no way!

Can u share with me?

No way no way!

Can u come with me?

No way no way!

Can u accept with me?

No way no way!

Can u believe with me?

Can u shopping with me?

No way no way!
